Features

With a smooth and imperfect surface texture, Landmark Maple is a masterful composition full of depth and color that transcends timeless beauty. Shaw Floors' exclusive antiquing process emulates the unique complexity of an authentic timeworn surface. Our multi-colored staining process captures the visual tapestry with movement and dimension. This style is part of the REPEL Collection with Splash-Proof Technology that guards against splashes and spills 2x better than untreated hardwood. It also features superior dent resistance and ScufResist® Platinum finish to guard against scuffs.
