All measurements are nominal.	Cartons may include random lengths.	

Features

Featuring a popular wire brushed texture, Mineral King offers just a touch of texture without producing the aggressive results of scraped hardwood floors. This treatment is ideal for homes that want a look that fits in between smooth...and heavy scraped. Pillowed edges and ends give each plank a more pronounced sculpted effect, which enhances the versatile vintage look. The color palette is rich, offering a wide range of options suitable for traditional or modern settings.
