Features

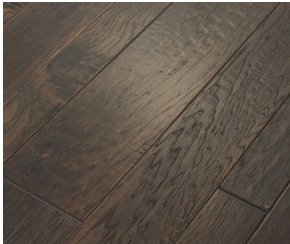

Featuring a popular heavy scrape, Sequoia Hickory creates a rustic time-worn visual that's highly sought for today's homes. Pillowed edges and ends give each plank a more pronounced sculpted effect, which enhances the versatile vintage look. The color palette is rich, offering a wide range of options suitable for traditional or modern settings. Sequoia Hickory is available in three width options: 5" planks, 6 3/8" planks, or mixed width (3 1/4", 5", 6 3/8" planks packaged together).
